

A & LH Environmental Services

...have contributed **72 surplus printer cartridges** which were saved from landfill for *reuse* through **cartridges4charity.co.uk**'s cartridge upcycling service.

As a result, an estimated **200 anti-malaria bed nets** will be distributed with the **AGAINST MALARIA FOUNDATION** to fight malaria — a preventable disease that continues to kill 400,000 people a year.

With great thanks from *The Green Team* at...
